HEWLETT-PACKARD INTRODUCES A NEW GENERATION.

THE PRICE OF EXCELLENCE NOW STARTS AT \$60.*

THE NEW SERIES E.

Introducing Series E. Five precision calculating instruments for science, engineering and business. You'll find them outstanding values.

NEW FEATURES.

MORE CONVENIENCE.

Easier to read. They feature a new, larger LED display for improved readability. And so that you'll never confuse 100000 with 1000000, commas are inserted between thousands.

Checks you. Checks itself. Built-in diagnostic systems tell you:

1) when you've performed an incorrect operation; 2) why it was incorrect; and 3) if the calculator isn't working properly.

Accuracy. We engineered a new level of accuracy into Series E. So you need not be concerned that your answers are correct or complete.

The Hewlett-Packard extras are **standard**. Series E is "human engineered" inside and out for increased usability: low battery warning light; rechargeable batteries; positive click keys; sturdy, impact-resistant cases. Pick up any Series E calculator and experience the HP difference.

HEWLETT-PACKARD IS WITHOUT EQUAL.

In logic systems. Series E calculators use RPN logic exclusively. RPN—the system that displays all intermediate results for instant feedback in checking errors. RPN—the system that lets you solve lengthy problems with ease and consistency. You'll find it's the shortest possible distance between the question and the answer.

In documentation. The complete modular documentation system for Series E includes:

Introductory Booklets; Owners' Handbooks; Applications Books for mathematics, statistics, real estate, leasing, investments and more. These books give you fast, easy solutions to everyday problems.

In quality. Hewlett-Packard quality, dependability and reliability are engineered into every Series E calculator.

EXCELLENCE AT AN AFFORDABLE PRICE.
